House 4 2 2

Set To Impress

This home oozes style and offers great lifestyle benefits. Hosting three upstairs bedrooms and spacious fourth downstairs that could also be a great work from home space. Stunning kitchen, modern bathroom and optional living areas.

The home features:

- Three bedrooms each have been fitted with built in wardrobes, ceiling fans, plantation shutters plus light timber floating floors
- Bedroom four is located downstairs has the potential for a home office or salon, handy to the second bathroom as well as sliding door access to the courtyard
- Grand living area draws in natural light through the floor to ceiling cathedral style windows, north facing for winter warmth
- Separate lounge invites you to kick back and relax and take in the escarpment outlook and enjoy the creature comfort of ducted air
- Stunning galley design kitchen boasts quality stone benchtops and splashback, stainless steel appliances, soft close drawers plus waterproof floating flooring
- Resort style bathroom provides you with the option to relax in the deep freestanding bath or take a soothing shower inclusive of a porcelain vanity and toilet
- There is a option of a private courtyard or outdoors entertainment area, safe yard with plenty of room for the option of a pool
- Accessible double garage, remote control access, provides secure and internal entry into the home.

Positioned only minutes to motorway access, nearby primary and high schools. An impressive home, set in an elevated position ready to be the setting for many happy memories for its new owners.
