

33 Reef Cl/64 Davidson St, Port Douglas, QLD 4877

Sold - 8/10/2021

Unit 2  1 

GROUND LEVEL POOL ASPECT

(Price reduced) This great little earner is at the (close to town & beach) popular Reef Club Resort, where owners can enjoy several weeks free use each year along with sustainable income. Being ground floor, access is very easy and the oversized balcony would allow parents to monitor children in the spa and pool, overlooking the tropical gardens. Bedrooms include built in robes with a two way bathroom and small kitchenette offering microwave oven, 2 burner cooktop, fridge and more. Both the kitchen and bathroom have been remodelled unlike most at the complex, so ready for a long future of holiday, short term use investment. The property is fully air conditioned and positioned a few minutes walk to town centre and the beach or slightly longer to the Marina, gateway to the Reef and sold fully furnished.

Open for Inspection

By Appointment.
