This stunning home is a pure delight from start to finish & showcases 6 bedrooms and 3 bathrooms stretching over 2 levels of easy living.

With 2 street frontage this home and block will surprise even the fussiest of buyers with its huge amount of space and long list of extras.

### UPPER LEVEL:

The upper level boasts a funky tiled entrance that leads into a gorgeous lounge room with cathedral ceilings and gleaming polished floors.

This ultra-inviting space opens out onto a massive covered patio with ample room for an outdoor lounge and table & chairs whilst offering uninterrupted Southern Views of the surrounding suburbs and mountains.

Moving on you will soon discover a warm & inviting chill out zone with a wood fire, lounge area and a space for your dining room table & chairs.

In Real Estate we often speak of a "Chefs Kitchen" but this home offers a kitchen that is fitted out perfectly for the budding chef or home cuisine master. With rich timber benches, modern appliances, oodles of storage and built-in display cabinets this kitchen just oozes style.

Also on this level you will find 4 bedrooms plus a study, but it is the main bedroom that is sure to steal your heart with:
