

64/4 Highfields Cct, Port Macquarie, NSW 2444

Sold - 24/07/2020

Unit 1  1  1 

North Facing Studio / Bachelor Apartment

Are you looking for an apartment within walking distance to all medical facilities including the Port Macquarie Base Hospital and the Charles Sturt University? This apartment is on the 3rd floor of this architecturally designed building with great views, balcony, security parking under the building and intercom access.

Open for Inspection

By Appointment.

This apartment features a separate bedroom from the living area, stone kitchen bench top, built-in study desk, tastefully selected carpet/timber flooring, lift to all levels and shopping centre and public transport near buy. You can either live in the apartment or lease it out and take advantage of the National Rental Affordability Scheme. Your options are endless.

For your personal and confidential inspection and to find out more about the NRAS please call the listing agent Paul Wright today on 0402 004 666. "At this price the apartment won't last long".
