House 4  1  1 

Family Haven

This classy family home has been completely modernised throughout. It has a large air-conditioned living area which adjoins a light filled dining room big enough to cater for those large family gatherings. A beautiful and modern kitchen with loads of cupboards and bench space and quality appliances. Plenty of room internally for the family with a second living area, 4 bedrooms with the master bedroom to the rear of the home and a modern two way bathroom and a second toilet.

Open for Inspection

By Appointment.

A great covered entertainment area to enjoy those backyard gatherings and the kids will just love the pool and big 657m2 block.

Please join us at the next open home inspection or contact Paula Clarke and Tracey McDonald to arrange a private inspection.
