This land release of the original old town lots in the western corner of the 1840's Nairne township is unique, comprising a modernised plan, all services, excellent views and easy access to the Freeway and local schools.

In addition, The Orchard has a practical building encumbrance to maintain standards while allowing variety and affordability.

The township of Nairne is undergoing a transformation with a new supermarket and specialist shops, the District Hotel undergoing major upgrades, plus its proximity to the wonderful Lot 100.

Offering the freedom of no time limit to build and your choice of builder.
