Wanting a huge block, with workshop and drive through rear access? Want more? How about a renovated kitchen and bathroom? Maybe a large entertaining area? Well if so, here it is, 15 Kullaroo Court, Hillman.

It has all the style and grace of a true 70's build, but with all the mod cons! A gorgeous timber country style kitchen with stainless steel appliances, under bench oven, gas cook top and range hood. Smart over head and microwave cupboards for lots of storage. Good size fridge recess with even more storage above and at the side.

Beautiful modern family bathroom with stunning feature tiles, shower bath and vanity.

Three door fitted wardrobe to the master bedroom complete with ceiling fan. All minor bedrooms are of a good size with ceiling fans.

Updated laundry finish off the inside details, now step out side where you'll find that big back yard with a sizable colorbond patio, grassed lawns and of course the massive 8 x 10m workshop.
