This home was once much loved and now needs that care given back. Many beautiful aspects; including the view over the street. Spacious living areas, the master has ensuite and built in robes.

The kitchen is well appointed with pantry and dishwasher, views to the entertaining area.

All three bedrooms are a good size. Both living areas are a great size.

Huge block approx 1082m2. Loads of parking, loads of opportunity. Don't miss this beautiful blank canvas. It just needs a loving touch.
