Townhouse 3  2  2 

Central Sophistication

Positioned within a brand new development is this well designed and low maintenance townhouse central to Dapto CBD. Style, space and size captures perfectly the attributes of the three bedroom abode.

The home features:

- Air conditioned and gas heated main living area, crisp white colour palette, positioned to draw in the sun's natural light
- Master suite boasts generous built in storage, ducted air conditioning and spacious ensuite
- Bedrooms two and three each have ducted air, carpet and built in storage space
- Galley style kitchen hosts Caesarstone benchtops, soft close drawers, and quality stainless steel appliance and flows effortlessly onto the laundry
- Main bathroom has been fitted with a full length bath, framed glass shower with rain showerhead plus vanity with a Caesarstone benchtop
- Double attached garage with remote and internal access offers additional storage or space for a work bench
- The outdoor area is private and flows seamlessly from the main living, attractive easy care gardens as well as a water tank and gated side access

This property caters for anyone looking for a set and forget investment, first home or considering to downsize. Conveniently located within walking distance of Dapto Mall, train station and surrounding schools.
