DIFFERENT BY DESIGN FOR FABULOUS LIVING

Designed with style, this spacious home has an excellent floorplan for entertaining. Polished timber floors impress throughout the home and flow seamlessly through to the large outdoor timber deck. The generous L shaped living area encompasses a modern combustion fireplace and a media lounge with space to configure your furniture as you desire. Well designed, the kitchen provides great storage and bench space with a practical triangle between the quality appliances to make cooking a breeze. Three spacious bedrooms plus a study or 4th bedroom all have built-in storage and the ensuite to the master features a twin walk-in shower. A remotely accessed double garage and a single bay shed provide car parking and workshop facility. At 320m2, this home is no shrinking violet and will please an active and growing family for years to come.
