Opportunity Knocks

A property offering an astute buyer the unique opportunity to renovate or demolish depending upon your perspective. Either way this property is a blank canvas and represents an excellent prospect to capitalise on a large level 1,056sqm block in a quiet pocket of Mittagong, with local traffic only.

Open for Inspection

By Appointment.

The existing post war era home retains its original features and comprises 4 spacious bedrooms, a large study, timber kitchen with servery opening to an L-shaped lounge and dining all serviced by 2 separate bathrooms. In addition there is a standalone garage structure with workshop and a private and secure rear yard with established trees.

This property is ideally located with easy access to Mittagong town centre, transport and amenities, schools, oval and Highlands Marketplace.
