Residential Land

**TALLOWOOD SURPRISE  
PRICE REDUCTION**

This private block of land at the end of Tallowood Court is a definite must for someone starting out wanting a great block as well as being close to Lismore Central.

The block consists of 600.3 sqm of usable land, flat top and then gently sloping to the rear of the property.

At the bottom of the block is a designated Koala Corridor and right next to this block is a small park reserved for Council use.

The "Cream on the Coffee" is that there are lovely district views and being so high, gently breezes for those hot days.

Blink and it will be gone.
