House 3 1 1 1

Modern Practicality; Period Charm Bidders Guide High \$60

This captivating renovation has stayed true to the unique character of the era and style yet has created a residence that offers exceptional functionality.

Ideally located this period style home has a feeling of warmth and family from the moment you step through the front door.

From the formal lounge at the front of the home where the floors, high ceilings and ceiling rose combines seamlessly with the easterly windows providing an abundance of natural light to the stylish living room with French doors to the outdoor entertaining area to the formal dining area it's hard not to be impressed. Then an amazing kitchen with granite bench-tops, granite splashbacks and a collection of quality stainless steel Fisher & Paykel appliances, including an electric cooktop, oven and rangehood plus a two-drawer dishwasher. Also, an abundance of cupboard space, downlights, a great skylight and a beautiful stained-glass feature window make entertaining and cooking a delight.

Offering a segregated master bedroom with floor-to-ceiling mirrored wardrobes where the two remaining bedrooms easily accommodate a queen size bed and bed side tables are all serviced through the main bathroom complete with quality tiling, an oversized shower separate to the large main bath and a pedestal vanity unit

Large single garage with a remote-controlled roller door and heaps of off-street parking, open study or reading area, Internal laundry with second toilet.

Expansive covered outdoor entertaining area ducted gas heating throughout the home are just some of the inclusions

A clever utilisation of space is evident along with a well-maintained country feel in a contemporary setting.
