This thoughtfully designed home with a level floor plan is well suited to retirees or people seeking a low maintenance property for an easy care lifestyle and close proximity to town.

A separate air conditioned lounge room that flows through to the second family room. The open plan dining, kitchen with gas cooking and plenty of cupboard and bench space makes meal times a breeze. All three bedrooms are also air conditioned with built in robes and the spacious master suite that has a lovely ensuite and walk in robe is tastefully finished. There is an internal laundry and double garage with internal access. Through the glass sliding doors you will find a wide timber deck for entertaining and court yard.

This property is currently rented to a government authority. One of the most reliable returns in town with plenty of depreciation for the investor. These types of properties don't come on the market often so they wont last long.
