Sold - \$1,020,000

House 4 2 2

UNDER CONTRACT

This perfectly positioned home in central Kiama will certainly impress with its extensive ocean and township views. Very private in design and located at the end of a quiet cul de sac, there is a real sense of calmness upon entering this home.

Open for Inspection

By Appointment.

Set on a extremely rare 1078m2 block with vehicular access to the back yard, the gardener will love the extensive vegetable patch and landscaped surrounds. Very generous in size with 3 separate living areas and 4 good sized bedrooms, most with built in robes. Another huge bonus is enormous under house storage with access, perfect for any extra tools or toys.

The beautiful entertaining deck that flows effortlessly off the upstairs living area takes in the commanding views of Kiama township and the ever changing ocean. This beautiful dwelling is within easy walking distance to Surf and Kendalls beach, railway station, shops, schools and recreational activities. Homes in this street are very tightly held and once you have inspected this amazing property you will understand why.
