

Sydney, NSW 2000, address available on request

Sold - 29/05/2021

Apartment 4  5  2 

Certainly the best penthouse ever offered in Australia, if n

An ambitious work of pure genius, this incomparable residence is the crowning glory of the internationally awarded ANZ Tower in Sydney's CBD, complete with a resort-style rooftop pool, private secured garaging and a private lift. Having a gross floor area of approximately 2,400sqm over three levels that bask in magnificent harbour and city views, it was named the world's finest residence at the International Design & Architecture Awards 2017.

Open for Inspection

By Appointment.

Showcasing unprecedented levels of privacy and opulence, with 24-hour security, the penthouse accommodates four lavish bedroom suites each with a marble bathroom. Its many grand entertaining spaces are of a scale which has to be seen to be believed, framed by soaring double-height ceilings and dramatic walls of glass.

One of the world's great trophy homes, and the only residence within the building, the ANZ Tower Penthouse has no equal, making it an address of true international appeal.
