House 2  1  1 

This property was SOLD by Margie O'Brien of Valla Real Estat

On arrival to this home in the Valla Beach Over 50's Lifestyle Village, I can see the ability for the buyer with scope to update this home, beautifully. On entrance to the home a decorative nib wall and tiled area enters to an open plan lounge, dining & kitchen. The lounge & dining rooms consists of carpet under foot and a reverse style air conditioner. The kitchen is compact with breakfast bar, plenty of cupboards, pantry, gas cooker and range hood. A second bedroom is to the right of the lounge room - this area could house a double bed or perhaps 2 singles with carpet under foot and robe. The main bedroom also with carpet and built in robes, plus a bedhead alcove giving more space to this room. The laundry is walk through style to a good sized anything room with a back door to the yard & a handy front entrance from the carport. This room is ideal for a day bed, exercising or an indoor / outdoor entertaining room. The laundry houses a linen cupboard, along with plenty of room for the tub & washer. The bathroom has a large enclosed bath / shower and vanity with a separate toilet. All this plus a garden shed out the back.
