Sold - \$340,000

House 4  2  2 

Cul-de-sac Location with room for a Shed!!

This spacious 2010 built modern home on 600m2 simply has it all.

From the second you set foot through the front door you will be amazed at the abundant amount of space available from this home.

Designed with unique styling and contemporary finishes giving an abundance of natural light combined with a fabulous functional floor plan with stunning large floor tile's, truly this is a home with character and individuality.

The kitchen is simply a masterpiece, with a large island bench with breakfast bar. All electric appliances, plus fantastic storage via a pantry and stainless-steel finishes to ensure the chef of the household is always happy.

The main open plan area is simply put "HUGE" and leads out to the undercover alfresco entertaining area via sliding doors which join the area's beautifully making entertaining family and friends pure joy.

The second living/media room is yet another sanctuary in which to escape and relax with a movie or just a good book.

The master bedroom suite is fit for royalty, with a walk-in robe spacious bedroom plus chic ensuite and air-conditioning.

The main bathroom with shower, bath and vanity has clean functionality along with a separate toilet.

The separate laundry room has a deep laundry tub and its own access out to the clothesline.

Three more great sized bedrooms compliment this beautiful home all finished with built-ins and ceiling fans. This home comes with a massive double garage with easy room for 2 cars and storage.

Outside you have a stunning good-sized low maintenance yard meaning you can enjoy your home all year round and that side access and shed potential is just simply GOLD!
