House 4  2  2 

4 bedroom with Back Yard Access

Not too many homes in this price bracket comes with the double feature. One being the home has 2 air conditioned separate living areas and the other feature is there is back yard access to build a shed for all the toys. The fully secured huge 601m2 pet friendly block is ideal for the kids to play safely.

The open plan design offers 4 big bedrooms with the air-conditioned master boasting a generous sized ensuite and walk in robe. The spacious kitchen has stone bench top and miles of bench space and a large pantry for your convenience. I believe the tenant has been at the property for approx. 8 years. This is a great set and forget investment. The seller is keen to negotiate and wants offers. Contact Darren today to arrange your personal viewing.
