Duplex 4  2  1 

Master Built Duplex, Close to Town!

Well suited to a host of different buyers, is this Master built duplex that is conveniently located to the town centre. The property features 2 wings separated by an entertaining breezeway, ideal for those that require their own space but still like to come together over a family meal. Features include;

Open for Inspection

By Appointment.

- 4 generous bedrooms, main with ensuite & large walk in robe
- Contemporary kitchen that features modern appliances & stone bench tops
- Open plan living & dining, with vaulted ceilings that provide an abundance of natural light
- Capacity for independent living in the Master wing, all on ground level
- The front wing contains a second living area, 3 bedrooms & a bathroom
- Covered breezeway ideal for family bbq's, includes fire pit for winter entertaining
- Extremely low maintenance property, remote single lock up garage
- Less than 500m to local shops, cafes & bowling club

Perfect for families with teenagers, empty nester's that still require room for visitors, or those with elderly parents. Alternatively it would make a cracking high end holiday rental, that can cater for large groups/families. An inspection is a must to appreciate, all that this well designed home offers. To be sold on or before auction on the 28th March, please contact Luke Turner to arrange your inspection on 02 6682 6226.
