Elderly French Lady Owner Has Left for a lifestyle change and must sell This Perfect Charming home To A New Lucky Owner !

This gorgeous lowset home is situated in the beautiful tree lined estate known as "The Village" in the high growth suburb of Coopers Plains.

Coopers Plains enjoys a central position close to major employment and educational hubs such as Griffith University, QEII Hospital & Nissan Stadium. It also offers proximity to large-scale shopping centres of Sunnybank along with local shops, cafes & restaurants. It has access to rail and bus services for easy city commutes and an abundance of parks, playgrounds, library and more.

Immaculately presented gardens invite you into this spacious and modern brick property that offers a low maintenance lifestyle with easy yard to care for including a large, fully paved back garden with generous covered patio area. Facing north this tranquil, private entertainment area backs onto parklands and is ideal for socialising with family and friends.

Inside is light filled and perfectly planned for a couple, small family or retiree. A tiled hallway leads to the gorgeous lounge adorned with luxury curtains, timber floors and air-conditioning this is a wonderful retreat for media and adult downtime.

A combined open-plan dining and kitchen is positioned at the back of the home opening directly to the entertainment courtyard. There's ample room for a table setting and comfy lounges making it the perfect everyday space. The practical and stylish kitchen is equipped with premium cabinetry with a sleek bench finish and tiled splashback. It has a large pantry and decent appliances.

The master bedroom sits at the front of the home and has a pretty garden view with porch providing additional shade over the room. Fitted with air-con, quality carpets and curtains it boasts a personal ensuite and large walk-in robe.

Two bedrooms are equally spacious and have ceiling fans for summer comfort and access to the neatly appointed bathroom offering separate shower, full tub and vanity with storage.
