7-Bed Family Home, A Renovated Modern Masterpiece

A rare find, a modern classic, a simply stunning home – this incredible haven justifies all such accolades and more with this magnificent circa 1920s home having been transformed into a showpiece property in a prime location. Set over 2 levels and complete with huge yard, pool, heated spa and double LUG, it has undergone a meticulous renovation to stand as a home of superb style for contemporary living. Presenting beautifully to the street, with hedge-framed gardens and period porch entry, it offers flowing interiors and a sunlit ambience.

Highlighted by a vast living/dining/kitchen area that opens to the sunny yard and pool, the lower level also features a large master bedroom suite, quiet 2nd bed and spacious front bedroom/study. The superb upper level also showcases a massive living zone, great as a teenage retreat or for extended family living, plus up to 4 further bedrooms. Representing a momentous Eastern Suburbs opportunity, set in one of Randwick's finest streets. Conveniently located only steps to Centennial Parkland this much-loved family home is immaculate and impressive, awaiting the next chapter in its distinguished history.
