House 4 2

Timeless

Late 19th Century Victorian weatherboard home. Original features include high pressed metal ceilings, stained glass, polished timber floors and fireplaces throughout. Large level block 1012m2. Short level walk to town. Floor plan lends itself to many configurations; four to five bedrooms plus study or four bedrooms plus family room. Breakfast room, dining room, 2 bathrooms, side and rear courtyards. Would make a unique B&B or back to its original use as a medical surgery in the 1890's-1920's. A timeless treasure.
