Situated on a 607m2 flat block with plenty of room at the side for additional vehicles (boat or caravan), the interior features decorative cornices, original windows and honey toned timber floors which give the home real warmth & character. There are 3 good sized bedrooms (2 bedrooms have built-in robes & the main has a ceiling fan). The kitchen is a practical working space with gas hob, underbench oven and dishwasher. Both bathrooms are brand new and there is even a second living area that could extend out to a covered outdoor deck overlooking the pool.

The formal lounge & dining both have ceiling fans and there is potential for a gas fireplace for the cooler months.

Underneath the home there is plenty of space to have a kids play area and a workshop with lots of storage available.

Extra features include

- * 10m Inground Swimming Pool
- * Built in Timber Sauna
- * Remote control garage (brand new)
- * 1.1km walk to town for shops, great cafes and restaurants
