Impressive Buying!

Under Contract by Blake Green!

Substantially renovated and extended, this unique home and flexible floor plan will suit a range of life stages and certainly offers so much more than first meets the eye.

A spacious kitchen, complete with an abundance of bench space, joins the open living area, providing the hub of this home which is kept comfortable year-round by reverse cycle air conditioning. The three bedrooms, including two with built-in robes are well-served by a central bathroom.

The brilliant outdoor entertaining area is situated adjacent the 4th bedroom which would also serve as an additional living space while the established surrounds provide a unique private setting.

Complete with excellent secure shedding plus separate workshop along with vegetable gardens, fruit trees, chook run, rainwater storage plumbed to the house, and a 3KW solar array, this property has all you're looking for and more!

Set on a 486m2 (approx.) low maintenance corner allotment, this convenient location is situated adjacent to the reserve but also within walking distance to the shops, transport & medical facilities.

An opportunity not to be missed!
