Looking For A Large Home With Stunning View?

Positioned on top of the hill on 1646m2 next to the reserve at the end of the cul-de-sac this stunning property captures the true essence of peaceful country living with all the luxury you could expect in this prestigious quiet location.

Home Features Lower Level:

Separate formal living and dining rooms.

Open plan kitchen / family / meals to the rear of the home.

Kitchen boasts Tasmanian Oak cabinetry, six burner gas cooktop, wall oven and large pantry.

A study/sixth bedroom (ideal nursery) sits off the family room.

Laundry with extra powder room.

Huge master bedroom boasting extra space for a parent's retreat with private external access via the French doors, oversize walk in robe, ensuite with extra-long soaker bath.

Home Features Upper Level:

Tasmanian Oak kitchenette opening onto the rumpus room or separate guest wing with stunning views from the windows also lends itself to dual living situation.

Two of the 4 generous sized remaining bedrooms include built in robes.

Main bathroom with separate powder room.

Other Home Features:

Three linen cupboards plus under stair storage.

Insulation to upper and lower ceilings and all internal and external walls.

TV points in every room and several phone points.

Large combustion wood heater and ducted evaporative cooling.

Deep cornicing, Bamboo flooring and glorious ceiling roses throughout the home.

Property Features:

The 360 degree views surrounding the property.

Beautiful gardens with many areas to enjoy the view.
