## A HAMMER... A SAW... SOME TLC

and you will restore this brick and tile home into a little gem. On 903m2 and at the end of a quiet cul-de-sac in Highland Park this does need some help! There are three bedrooms, main bathroom and spacious living, dining and family and a generous kitchen. A large covered outdoor entertainment area is a real plus.. the outdoor studio is a little desperate but could be repaired. There has been an in ground pool, but the current owner filled it in but who knows... maybe you could resurrect it!
