There is no denying this classic cottage needs a little TLC but being located in the handiest of positions on a good-sized level block this is a rare find.

The weatherboard home has a Colourbond roof and consists of a very spacious air-conditioned living room with stunning high ornate ceilings, 2 double size bedrooms as well as a study. The kitchen is spacious and original and is open to the informal dining area.

Situated within walking distance to Cardiff RSL and Wests and an easy stroll to the Cardiff shopping precinct which includes a Woolworths & Aldi outlet as well as plenty of public transport.

Leased to long term tenants who are keen to stay on if possible or vacant possession is also available.

With a bit of hard work, this home will sparkle once again!
