House 3  1  2 

Timeless Single Level Elegance

Gracing a tranquil leafy streetscape with privacy hedging, this charming single level brick home blends traditional beauty with modern charm. Featuring traditional details such as hardwood floors, exquisite ceiling rose, high ceilings and elegant pendant lighting throughout.

A covered porch and wide entrance warmly invites you into this family home. Behind the classically refined exterior, a central hallway features elegant glass double doors leading you towards the generously sized family room and dining area. With an enormous galley style kitchen offering an abundance of base cabinets, wall cabinets and benchtop spaces conveniently located on both sides of the central walkway.

Featuring 3 large bedrooms including master with double BIR, second bedroom with BIR and third bedroom including a study nook.

A large sun room permits an abundance of daylight and views of the peaceful low maintenance backyard. With venetian blinds allowing you to entertain all year round.

With close proximity to local shops, parks, schools and a short drive to Eastlink and the Monash freeway.
