Whether you are looking for a weekender or an affordable first home in a great location, you simply can't beat the value on offer here. Only a short stroll to the world famous Alexandra Headland's Surf Beach, this fully renovated 2 bedroom unit has been designed with such style that all you have to do is come in, sit down and relax. Located on the first floor in the popular Pacific Horizons One complex, this apartment is one of the best units you will find in this location and price range.

As you enter the unit you are invited inside by the fully tiled, freshly painted and air conditioned living area that opens directly out onto a great sized covered balcony. The chefs kitchen has not had a cent spared boasting stone topped benches, stainless steel appliances and plenty of storage throughout. The bedrooms are located to the rear of the unit to really capture the gorgeous sea breezes. This is complimented by ceiling fans, built in robes and quality day/night blinds for that cheeky siesta. Both bedrooms are also serviced by the fully renovated, modern bathroom and laundry that features floor to ceiling tiles as well as a separate toilet.

To add to all of this, the unit also comes with a storage lockup and a fully remote controlled single lock up garage. Pacific Horizons One also features an in ground pool with shaded BBQ area and fantastic onsite caretakers, all the work is done.
