## Contact Agent For Inspection!

Walk to everything Lakeside has to offer! This quality townhouse overlooking parkland is simply packed with value!

Beautiful modern tonings throughout and recently laid flooring there is not a thing to do here, the contemporary design has a brand new well equipped kitchen with lounge at one end and dining at the other. The lounge opens through double doors to a rear private courtyard and a single lock-up garage. The dining area has in built fireplace and picturesque parkland views with a lovely sunny north aspect.

Ducted heating and multiple split systems have your creature comforts covered!  
Upstairs there are 2 bedrooms with built-in robes and a central bathroom with large shower and lovely appointments.

First home buyers, savvy investors and downsizers need to make the call to inspect!

Please note: The property is available to view by private inspection. Please contact the agent to organize a suitable time. The health and safety of our clients and staff is paramount and we are closely following the advice of the Australian Government and World Health Organisation.
