New Luxe Level Living!

This is single level living at it's best! Enjoy ocean views, extra high ceilings and sunny northerly aspect. Stunning chefs style kitchen with large 900ml gas oven cooktop, stainless steel appliances, stone benchtops and large walk in pantry. Designed to entertain with open floorplan with living/dining and kitchen area, all leading to outdoor alfresco. Main bedroom is 'retreat' like with his and hers walk-in-robos and separate ensuite. Multiple separate living areas allows flexibility and creates that feel of space. Enjoy large bedrooms, all with built in robes, loads of storage and large double garaging. Sit back and relax under the covered outdoor alfresco, with custom designed and built outdoor BBQ area, whilst capturing coastal breezes, sun and ocean views. You will know this is the one upon entering, the high ceilings and extra space will amaze you! Look forward to seeing you at your private inspection!
