GRAND FAMILY HOME IN QUIET LOCATION

Proudly positioned in a quiet, elevated pocket, this impressive 2-storey residence is ready for one lucky family to call home.

Presented over two spacious levels, the home's stunning features and layout are ideal for family-living with an abundance of space for everyone. Inside is complete with fine fixtures and fittings with the bottom floor currently used as a home business.

Upstairs you will discover four generously sized bedrooms all with built-in robes and split-system air-conditioning serviced by the stylish main bathroom. Plus the generous master suite that is the perfect space for parents to take some time out for themselves and features an expansive built-in-wardrobe and luxurious fully tiled modern ensuite. The upper level also contains both formal and casual living and dining areas, plus a well-appointed kitchen. Entertaining is a breeze with the alfresco area offering the perfect amount of shaded and sun-light areas to enjoy all year round complete with an in-ground spa and swimming pool.

This is your opportunity to secure a grand, spacious family home and an entertainer's delight. Call Ilona Barry today to arrange your private inspection.
