House 4  2  2 

LARGE FAMILY HOME

This one is for the growing family looking for space, tranquillity, and an all year-round swimming pool .

The home provides very large separate living areas in the way of formal lounge and dining, open family room and rumpus room, all with views of the pool. The Cesar-stone kitchen with gas appliances also comes with dishwasher, filtered water and large breakfast bar.

The bedrooms are all generously proportioned and have robes. The master suite comes with walk in robe and ensuite.

There are beautifully landscaped front and rear yards with the in-ground pool as the centre piece, where you can relax under the large covered area while the kids play in the cubby-house at one end and dad plots around in the oversized shed at the other end.

Other features include ducted air conditioning, ceiling fans, internal access to the double electric garage with roof storage, alarm, 2nd garden shed at the side and rear water tank all on a 630msq block.

The M1 motor way is just over 7km away, private schools within 3km, Wyong hospital approx. 2.5km away with Coles and Woolworth shops approx. 4km away.
