Stunning Split Level Apartment offering Sweeping Beach, Ocea

Perched high up on the third and fourth levels this designer split level apartment offers breath taking views across the horizon, watch the sun rise over the blue waters of Maroubra Beach and the Pacific Ocean. The lifestyle on offer is second to none with amazing coastal living at its best as well and the vibrant café and village scene that is McKeon Street.

Open for Inspection

By Appointment.

The apartment itself offers everything you could ask for with high end fittings and finishes, spread over two levels. The master bedroom offers a view of the lush gardens from its private balcony. The complex is maintained at the highest level and includes the service of an onsite building manager. It really is a very rare opportunity to secure one of the beach front apartments in this complex up on levels three and four, so if it's a quality residence and an amazing lifestyle your searching for then add this apartment to your list of private inspections.
