Villa 2 1 1 1

First Out Of The Blocks

What a beautiful villa this is; bright and airy with big rooms and solidly built. We are delighted to present 1/81 Tarana Street. In a complex of just 3, villa 1 occupies the front position and is a fantastic two bedroom, one bathroom property.

This property represents an excellent opportunity to add your own touches, such as a repaint and new carpets, that will instantly personalise and add value to your home. Both bedrooms are light and spacious, featuring built-in robes and ceiling fans, with the master having air conditioning. The well-appointed two-way bathroom features a large shower and has a separate toilet for convenience.

The open plan lounge/dining space is a great size and has air conditioning. The large sliding doors lead onto a tranquil patio area that has an inground spa (requires fencing or removal).

On top of this, the central kitchen provides plenty of bench space, a dishwasher and overhead cabinetry. Whether cooking for one or entertaining friends, you'll have got plenty of room to work.

If you're looking for a low maintenance villa, that is close to the cafe's and restaurants of Martha Street and Samuel Village precincts; you will struggle to find better value than this. With low body corp fees, a fully fenced backyard and your own single remote garage and allocated 2nd car spot, 1/81 Tarana Street is ready for your private inspection today.
