Collie Country Cottage Awaits

This character Collie home greets you with a cosy front porch overlooking the large established front garden.

Featuring a central cottage kitchen with big windows, lots of natural light, loads of cupboard space including full corner doors and overlooks the open plan living / dining area.

The wood fire, ceiling fan and reverse cycle split air-conditioning in the living room give you creature comforts to get you through all the seasons the country life has to offer.

The laundry and bathroom situated at the back of the home have been renovated with fresh paint and large beige cool tiles.

Step out the back and you have a lovely sunny outdoor area overlooking the big backyard that can be easily accessed through the double gate side access including a driveway that leads to the large gabled shed with lean to and wood shed.

Positioned on a 1012m2 block this property also features:

- 3 spacious bedrooms with high ceilings and fans
- Large sleepout with closet
- New ceilings and LED lights to the kitchen, meals and lounge, all freshly painted
- Electric oven and cooktop with rangehood
- Fresh paint to the kitchen, dining and laundry
- Split reverse cycle air conditioning
