Even before stepping inside, it's clear this is a brilliantly executed home with not a single detail overlooked. The front façade thoughtfully melds a mix of textures while easy-care landscaping and lush lawn adorn the walled yard.

From the entry, you are drawn into a games room where a wall of doors at one end invite you out to the poolside deck. Here, you can host friends around the fire pit with built-in seating or relax in the sun while the kids splash in the pool and spa.

Two bedrooms are also set on this level, both with built-in robes and one with an ensuite. A laundry, a full bathroom and double garage with internal access plus a storage area complete this level.

The upper level is bathed in soft natural light and encourages an effortless indoor-outdoor lifestyle with a retractable wall connecting to the entertaining deck. Guaranteed to leave you in awe, the show-stopping views are simply incredible whether you're up early to catch the sunrise or cooking dinner on the built-in barbeque.

A luxurious gourmet kitchen sits at one end of the open-plan living space and offers a gorgeous centre island and a suite of high-end appliances. A wine rack and a wine fridge are also on offer along with ample storage and a breakfast bar.

The master suite has been perfectly orientated to capture the view while also offering a walk-through robe and an opulent ensuite. The freestanding bath, double vanity and large walk-in shower ensure this will be a favourite place to retreat after a long day.

The long list of features includes ducted air-conditioning and ceiling fans while the convenient location close to shops, cafes and the beach is sure to appeal to a wide range of buyers.
