Simply Sublime

Simply Sublime

This delightfully renovated four-bedroom home could be yours to enjoy if you are quick enough to snap it up before someone else does.

From the outside to the inside and everything in between, the owners of this home have lavished it with love and attention to bring to market this stylish, welcoming and simply beautiful home.

Offering a modern delight of a kitchen complete with bespoke feature lighting, a breakfast bar, gorgeous tiles and a butler's pantry-laundry combination that is hard to beat. The owners have continued this excellence with a divine bathroom with huge glass screened shower and rainfall shower head, plus a modern vanity and separate toilet.

With four-bedroom homes a rarity, this one is perfectly set up for the whole family, with all four offering a restful colour scheme, soft luxurious carpets, built in robes and split system cooling.

The living areas are perfect with the internal family-friendly spaces providing a comfortable place to relax and cosy up in the evening, whilst the dining area is the ideal size to entertain guests (when we are allowed to do that again). And with the outside timber deck leading straight into this lovely indoor space, the owner of this amazing home will be in the enviable position of literally having the perfect indoor-outdoor area.

The outdoor deck is going to be your new favorite space with clever planting of trees and shrubs for shade and privacy combined with creative outdoor lighting – you will be relaxing out here all year, and with easy care gardens complete with a fully automatic watering system you won't have to lift a finger.

The final jewel in the crown, if what's on offer is not enough, is the brilliant double bay powered shed complete with high clearance double carport. Plenty of room for all the toys and nestled within a securely fenced yard, plenty of room for the kids and pets too.
