"Winterhill" Meadow Flat

Situated in the popular Meadow Flat District, "Winterhill" is a highly productive cattle or sheep fattening block. Approximately 130 acres in size the property has a wonderful private feel. The tastefully renovated three bedroom home is surrounded by established gardens that can be enjoyed from the property's large veranda's.

Infrastructure on the property is impressive, and includes:

Equipped Bore

7m x 8m Colorbond Shed

1 Bedroom self contained granny flat

15m x 7 meter machinery shed

2 x steel cattle yards.

Open for Inspection

By Appointment.

With established pastures, sound fencing and quality infrastructure "Winterhill" is the perfect small farm.
