This beautiful home within walking distance to all things great in Gisborne has received a complete makeover.

The Hamptons inspired flair can be seen throughout the property, with cupboards, handles and tiles drawing on this ever popular style infusing seamlessly with original fully polished hard wood flooring, timber bench tops and kitchen with all the trimmings.

Creature comforts are taken care of with central heating, fans in all rooms including living and dining and carpets to bed rooms.

And the bathroom.... oh my gosh, the bathroom is stunning.

A wood fired heater in the living room completes the package and becomes the central meeting point in the cooler Macedon Ranges winter, so pull up a chair, grab your favourite drink and relax in front of the fire.

It's done and ready for you.

PLEASE NOTE:

A COVID-19 CONTACT FORM MUST BE SIGNED

ON ARRIVAL TO ATTEND ALL INSPECTIONS.

THANK YOU FOR YOUR CO-OPERATION.
