## Relaxed Family Home

A harmonious blend of decorative character and contemporary lifestyle is this ideal single level home. Designed for relaxed living offering a carefree lifestyle, practical floor plan and is set in an ultra convenient position. This much loved home showcases a rich lifestyle at its best and is ideal for any family. Moving swiftly through, you will find a spacious open floor plan flowing from the indoor to outdoor living. Emphasizing living at its best capturing the picturesque escarpment and overlooking the ultimate outdoor entertaining area and luxury inground pool whilst enjoying those summer days, making it the perfect entertaining haven. Offering four generous sized bedrooms and storage throughout. This warm and inviting home is a must see for everyone with a brand new chef style kitchen with plenty of space for everyone built for functionality. Close to shopping, restaurants, schools and transport and only 1.5 hr from Sydney CBD. Room for the caravan trailer and all the toys this home has it all.
