Unit 3  2 

Contemporary Apartment Living - Walk to Waterfront

A superb combination of easy-care liveability and house like amenity, this premier apartment boasts modern design and prestige finishes.

Oriented to capture sunshine and breezes, it enjoys the perks and convenience of its fabulous location. Walk to the waterfront, shopping centres, clubs, cafes, CBD and more from an in town address offering luxe, low maintenance living.

North facing to capture abundant natural light, the full width covered entertaining patio is an extension of a luxuriously large, open plan living space.

Lounge, dining and study nook are easily accommodated within this zone, as is the spacious kitchen with stone benchtop, electric cooking appliances and dishwasher. A breakfast bar and excellent storage enhance function.

Characterised by extraordinary proportions and refined finishes, this home offers a practical layout with separate accommodation wing. Here, two of the three bedrooms have private covered patios, all have great storage and ceiling fans for comfort.

The master is a generously proportioned retreat with walk-in robe and stylish ensuite, while the main bathroom combines the practical with luxury including a double vanity and large corner spa.

The laundry provides access to your private outdoor service area with clothesline and the huge rear covered rear patio. This expansive area will accommodate both outdoor furniture for relaxation and leave room for children to play.

Situated with perfect proximity to St Joseph's Primary school, soccer fields and Westport Park, this apartment is as perfect for the young family who covet a low maintenance lifestyle, as it is for empty nesters who want spacious living with room for guests.

A lift to secure garaging with a storage bay and split system air conditioning for year round climate control are great features to note.

Take the 3D tour then book your inspection!
