A Lovely Little Gem

This little gem is unassuming on the outside and loaded with potential on the inside. Set on a big 841 sqm block with a lovingly cared for garden and in a sought-after area of town, this home has been in the same family for many years and now it's time for a new owner to love it and make it theirs. The lounge room is quirky and cosy and, unusually for a home of this era, there is a second living area. The kitchen and dining area function well and is brightened by a skylight. The main bedroom is very generous in size, offering ample storage space and the bathroom is in good order. The backyard is as pretty as a picture and the established gardens will be a vision come Spring. There is a single garage plus a carport, a charming gazebo, greenhouse and 5000L water tank to help care for the garden. You will love the features that an established home like this offers. Don't miss it.
