House 4 2 1

BEACH AT THE END OF THE STREET

A true blue beach home ready to enjoy. Surrounded by magnificent native gardens, enhanced for your enjoyment with a nature reserve directly behind and the beach at the south end of the street.

The authentic home has 4 bedrooms, two renovated bathrooms a rumpus room and open plan kitchen, dining and living room that opens onto a magnificent north facing treetop deck.

The northerly orientation of the home draws natural sunlight gleaming into the living room and also provides power to the solar system on the roof.

The large and high double carport provides ample space for at least two vehicles and enables direct sheltered access into the home. A large lockable workshop is a brilliant space adjacent to the carport.

The home is heated and cooled by a beautiful cosy free standing wood fire, reverse cycle air-conditioner and several individual efficient radiant heaters.

The home has been very well maintained, recently painted and would suit a person who wishes to move in, relax and enjoy.
