

502/11 Eccles Bvd, Birtinya, QLD 4575

Sold - 20/07/2022

Medical/Consulting

" Pulse" Medical Building

Directly opposite the entrance to the newest Hospital in the Southern Hemisphere and minutes from the Private Hospital. Come and join the world's best professional medical practitioners and take advantage of the newest most modern hospital resources in Australia. This 4th floor office suite has expansive water views from it's office windows. The amenities are across the hall and the building's elevators are over-sized to fit hospital beds. The office area is open plan ready for fit out. A very high quality medical building with well sought after professional tenants throughout. Noted as one of the fastest growing regions in Australia with everything you could want for the perfect lifestyle within minutes.

Open for Inspection

By Appointment.
