Only weeks away from completion, these brand new 3 bedroom, 2.5 bathroom townhouse with double lock-up garages, won't last long!

The design makes the most of the bayside breezes, offering shaded outdoor terraces or balcony areas. Finished in weather board cladding and face brick walls, with a mixture of timber and powder coated aluminium fencing, the development is complemented by bird-friendly shade trees on the streetscape and a nature reserve at its back door.

Double garages provide secure off-street parking for all residents and window screens complete the picture.

The interiors of Edge 521 provide the ultimate in affordable and stylish living.

Features include:

- * ceramic tiled floors
- * high ceilings
- * fresh, natural colour scheme
- * generously proportioned windows make the most of the leafy surrounds
- * prime north-south aspect
- * The living, dining and kitchen areas look out onto private terraces ideal for entertaining
- * The second level provides three to four spacious bedrooms
- * air-conditioning
- * discreet lighting fixtures, data, phone and television points
- * double lock-up garage.

Just 35 minutes to Brisbane's CBD, yet a world away from the hectic city pace, Edge 521 is situated in a prime Redlands Coast location. Imagine a nature reserve at your back door, a vibrant, friendly community with all the amenities you need and a sea breeze drifting across from nearby Moreton Bay.
