The affordably priced home features kitchen and meals area, two bedrooms, bathroom, laundry, split system and wood heater downstairs.

Upstairs a large living room with access to a big mod wood and steel deck area to enjoy the views whilst entertaining. Two further bedrooms with built in wardrobes and a renovated bathroom.

On the second level of the block a 3 bay shed caravan port, 11 solar panels and rear access to this level from a side road. A great set up!
