Super sized & the remaining freestanding home in this central locale, architecturally designed over 165m² of brand new townhouse. Split over 2 levels this enormous property is the largest 3 bedroom townhouse on the market in this area at 165m². This Size can be seen in the enormous bedrooms, all with built in robes (walk in in master) a large bathroom with bathtub, and 2 separate WC. High quality appliances and fittings come together in a flowing layout which reflects today's modern living and convenience.

With low maintenance gardens and a sun drenched north facing patio, you will be greeted with warmth and light year round. New builds in this area are rare, especially ones on such a grand scale. Packed with appeal and well positioned within walking distance of Wallsend Village and cafes on Nelson Street this property is guaranteed to draw the eye of savvy buyers of all types.

- Total townhouse size 165m² (14% bigger than average)
- Ducted reverse cycle air conditioning through out
