This beautiful home of double brick construction has been a fantastic rental property in the past and in particular for hospital staff, as only metres away, and is certainly well placed to be tenanted again. There are three bedrooms and a lovely kitchen adjoining the lounge room with large split system air conditioner. The recently renovated bathroom will please with its good-sized bath and is the ideal place to relax and unwind. The yards are meticulous and easy to maintain, the carport is of a good size, and the cosy alfresco at the rear is the place for a little get together for a drink and a barbecue. Location is fantastic, as close to the hospital, Back Beach, and primary school. With an anticipated rental of between \$270 and \$300 per week, jump in now to grab this great opportunity!
